

PONY CAMP

Boys and Girls, Ages 6yrs and older. Tuesday-Thursday, 3 hours either AM or PM session

Do your kids love horses? Do you want them to have a terrific summer riding and learning horsemanship? Then the Village Club 2018 Pony Camp is for you! Boys and girls will have so much fun riding and making new friends in a very happy atmosphere. Kids will learn how to ride safely, getting expert instruction to improve riding ability, and having fun playing games both mounted and unmounted. Children will learn correct riding position and develop confidence with a balanced seat on a horse. Our goal is for each child to learn, spend time with friends and the horses, while having a fun and safe Summer Camp experience.

This is a wonderful opportunity for kids to learn more about horses. Learning to safely handle a horse by grooming, tacking, leading, and caring for their camp mount. Every day campers will have one mounted lesson (weather permitting) and an interactive fun lesson on the ground. Activities will include crafts, games, and other horse related lessons. Campers will be provided a snack. Village Club is looking forward to a wonderful, confidence building, "hands on" Summer Riding Camp with your children.

Each camper will need to wear or bring long pants (jeans or leggings) for riding. **A hard-soled shoe with a 1" heel (cowboy boots are fine!), Sorry, riding in tennis shoes is not allowed.**

Campers should bring a refillable water bottle labeled with their name.

Each **Half Day Camp is \$175, horses are provided (or bring your OWN).**
